### **DETAILED ACTION**

This Office Action is a reply to the Paper filed 12 October 2004 in response to the Non-Final Office Action mailed 17 February 2004. Claims 1-14 were considered in the 17 February Office Action. Claims 3, 5, 7, 9, 11 and 13 were amended in the 12 October Paper. Claims 1-14 are presently pending and under consideration.

#### ***Response to Amendment***

##### Priority

Applicant's claim of priority as a continuation of International Application PCT/JP99/05423 is acknowledged. However, upon reviewing the file it was discovered that the PCT application was not published in English and no translation of the PCT application is present as required (see MPEP 1895.01). Furthermore, the Examiner can find no statement that the translations of the foreign priority documents filed on 1 June 2001 are accurate as required under 37 CFR § 1.55(4). Until such time as these requirements are perfected, the priority claim cannot be relied upon to overcome the cited art.

##### Claim Rejections - 35 USC § 112

Rejection of claims 2, 5, 7, 9, 11 and 13 under 35 U.S.C. 112, second paragraph, as being indefinite is withdrawn in view of the amendments to the claims.

Claim Rejections - 35 USC § 102

Claims 1-6 under stand rejected 35 U.S.C. 102(a) as being anticipated by Hosoya et al., claims 7-10 stand rejected under 35 U.S.C. 102(a) as being anticipated by Kitazawa et al. and claims 11-14 stand rejected under 102(a) as being anticipated by Hosoya et al. In the remarks, Applicant contends that the rejections have been overcome by properly perfecting the priority claims. However, as described herein above, Applicant has not met all of the requirements for obtaining benefit of the cited priority documents. Therefore, the effective filing date of the claims is presently later than the publication date of the cited art and the claims are still properly rejected as anticipated by the art.

***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
